Dear Sir:

TECH CENTER 1600/2900

Re: **RESPONSE TO OFFICE ACTION**

Re: **United States Patent Application Serial No.: 09/926,070**

Title: **Modulators of FGL2 Prothrombinase**

Inventors: **Gary Levy**

Examiner: **Shanon A. Foley**

Art Unit: **1648**

The present letter is filed in response to the office action of February 12, 2002, Applicant is petitioning for a one month extension of time. A petition for an extension of time (Form PTO/SB/22) is enclosed in duplicate

Applicant provisionally elects Group III, the claims readable thereon as being claims 11-15, which are drawn to a method of preventing immune coagulation by inhibiting LF-A1. Applicant further elects (2) antisense oligonucleotide. This is without prejudice to Applicant filing divisional applications to the Groups I, II, III (1) and IV inventions.

In view of the foregoing, an office action or notice of allowance is respectfully requested. Should the Examiner deem it beneficial to discuss the application in greater detail, she is kindly requested to contact the undersigned by telephone at (416) 364-7311 at her convenience.

Respectfully Submitted,

**GARY LEVY**
